

SETTLERS CREEK ADDITION

A TOWNHOME COMMUNITY

COMMUNITY CLEAN-UP!

Saturday, July 23, 2022

Our common area is in dire need of cleaning up. Trees have been cut down, debris has piled up, trash and bulk items have polluted our common area.

Our HOA President leading the way!

Our Board members have worked hard and cleaned up the common area as much as we could. But now we need your help to finish the job.

Our HOA VP taking care of business!

Discarded items from our common area

Join us Saturday, July 23
from 7am - 9am (come as you can).
If everyone pitches in we can get our
common area cleared away and ready
for our community to enjoy!
